B RAILNARROWCW

Cold white narrow spotlight

Specially designed for high-profile exhibition space, retail store display, car showrooms, hotel and leisure facilities and indoor architainment applications.

This super sleek high-powered 60W LED fixture offers incredible output in a 4° spot pattern with a colour temperature of 5.600K. Cleverly combined into the fixture is a 'quick fix Mount' to an overhead track but with the feature of allowing the type of power being used. This is all selected by a roller switch within the track lock mount fixed to the fixture.

The finish of the fixture is a high-impact architectural pale grey complete with diffusers for accurate directivity of the light source.

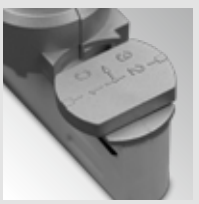

Trackrail mount

4° optics

One hand tilt locking system

Phase switching
